Skills & Interests

Technical: Java 8, HTML5, JavaScript, Python, CSS, Ruby on Rails, PHP

Software: Microsoft Word, Microsoft Excel, Microsoft Access, Microsoft PowerPoint, Photoshop 2020, Camtasia Studio 7, 8. Sony Vegas Pro, GitHub.

Operating Systems: Windows XP, 7,8,10. iOS 13, Mac OS Catalina, Android

Languages: English, Bulgarian, North Macedonian, Russian (Written)

Interests: I am a huge enthusiast of making modern and thematic websites, which can be used for personal blogs or professional purposes. My dream is to create something similar to the leading brands, such as BMW, IMDB, Amazon, etc. On a more personal side, I love sci-fi and medieval cinema, tv or gaming content. I am also intrigued by history and different ethnic cultures around the world. My biggest sports love is soccer, where I am a fan of Liverpool FC.
